Hearing of the Public

Mr. Joe Garrett of Trebel, was here today to present trustees the quotes from natural gas suppliers for our next 2-year contract for a natural gas provider. Quotes were received by IGS, Volunteer and Constellation. Of the quotes presented, Mr. Garrett recommended that the trustees accept Volunteer, with a 24-month contract and a fixed Add (+) Nymex: NX + \$0.1281. Customers will still have the option to opt out of the program or to opt into the program at any time without any fees.

- B. Motion to approve Volunteer as the supplier of Natural Gas for the township Aggregation program with a 24-month contract at a cost of Nymex + \$0.1281:

Motion: Mr. Metzger 2nd: Mr. Mr. Clark

Roll Call: Mr. Metzger – yes; Mr. Kaffenbarger – abstain; Mr. Clark – yes
Motion carried.

Mr. Kaffenbarger abstained due to his work connection with Columbia Gas.

Mr. Mark Sanders: His property, 2254 Snyder Domer, abuts to Mount Calvary Cemetery at the North-west corner of the cemetery. He has complaints that people are throwing old flowers and debris across the fence to his property. Weed killer had been sprayed along the fence. He believes that the fence is on his property by about 18-22 inches.

Mr. Metzger asked him what he wanted us to do concerning the situation. The township has ordered signs for no littering or dumping, and sprayed the fence to control weeds.

Mr. Sanders thought it would be helpful if the Township would put in a gate so he could mow the lower portion of his property. He stated he was willing to split the cost of a surveyor. He believes it is about 18-22 inches over onto his property. Mr. Bevan asked if he would give permission for the maintenance department to go onto his property to clear brush away from the fence. Mr. Sanders replied yes that would be fine.

Rezoning Case – ZB-2017-01:

Mr. Degenhart presented the following:

- The property is the old Hunan East location on Upper Valley Pike.
- The zoning request was recommended by Clark County Community Development.
- The zoning request was approved by the German Township Zoning Board.
- The zoning change was requested on the use as a used car dealership.
- No parties requesting the zoning change is present today.
- The change is from a B-1 Shopping Center District to B-3 General Business District
- As of today he has not seen any approval or agreement between the current owner and the prospective owner concerning the sale of the property or its use as a car dealership.

As the township zoning inspector, he would recommend that the rather than ruling on this request at this time, the Township Trustees table this meeting for one month, until September 12, 2017. This will benefit the owner, Mr. Chen, and may be in the best interest of the mall area.

- C. Motion to table the hearing until September 12, 2017:

Motion: Mr. Metzger 2nd: Mr. Kaffenbarger Ayes: All

Zoning Department

Mr. Degenhart reported the following:

- There are several properties that he is working on trying to get cleaned up:
 - 4221 Detrick Jordan - Will be going on the Treasurer's sale for unpaid taxes. It has trash, junk vehicles, and unsafe buildings.
 - There are other properties throughout the township with junk vehicles, trash, and several places that could be health concerns.

Fiscal Officer Report:

Mrs. Griest presented the following:

- Trustees received the July 2017 monthly financial reports
- Approval of payments from July 10 to August 8, 2017 \$118,663.61

- The Clark County Budget Commission has sent the information for the County's Undivided Local Government Fund and the Public Library Fund Entitlement for the calendar year of 2018. Allocations are the same as the previous agreement for the Alternative Formula for Local Government Fund. Trustees will need to approve the resolution for continued distribution of the Local Government Funds.
- E. Mr. Metzger motioned to approve The Alternative Method of Apportionment of the Local Government Fund of Clark County, Ohio as presented by the Clark County Budget Commission for a renewal of the alternative Formula for Local Government Fund. Mr. Kaffenbarger seconded the motion:
Roll Call: Mr. Clark – Yes; Mr. Kaffenbarger - Yes; Mr. Metzger – Yes
- Mrs. Griest stated that having reviewed the numbers for distribution, it appears the City of Springfield combined with all other Cities & Villages receives about 50 % of the funds, while all townships in the county combined only received 5.9 % of the funds. This seems disproportioned due to the fact that when combined the Townships have a larger population and more square miles than the Cities & Villages combined. Mr. Kaffenbarger stated that maybe this would be a good topic for the Township Association meetings.
- The Board of Elections has advised us that per their legal counsel the Police Levy has been put on the ballot too early and will need to be withdrawn The Fire Levy has been submitted and will be on the November Ballot.
- F. Motion to withdrawal the Police Levy from the November 2017 election:
Motion: Mr. Metzger 2nd: Mr. Kaffenbarger Ayes: All
- Reminder that September 1, 2017 is the deadline to rescind our withdrawal notification for 2018 for our current insurance provider. (unless they change the date).

She provides all necessary equipment. Trustees were all in agreement to allow.
- This year for the Breast Cancer Endowment Funds, he would like permission to have survivors or a family member in memory of a loved one to sign the pink Humvee in exchange for a donation to the Breast Cancer Endowment fund. He would like to put it on the Police Department web page.
- G. Motion to approve the Breast Cancer Endowment Fundraiser as presented:
Motion: Mr. Metzger 2nd: Mr. Kaffenbarger Ayes: All
